

LANE COVE RETURN AND EARN

RECYCLE YOUR ELIGIBLE CONTAINERS FOR 10 CENTS REFUND

Lane Cove Return and Earn is a friendly and efficient partner of the Return and Earn Initiative.

We invite businesses, government, community groups and households to join us in the Return and Earn Initiative that begun in December 2017 to help make an impact of drink container litter.

Lane Cove Return and Earn is an Automated Depot (AD) collection point for the NSW Governments Return and Earn Initiative. What this means is that we can take bulk collections of over 500 containers or small quantities for collection.

We will pay you 10 cents for all eligible drink containers covered by the scheme.

More information on what is and what is not eligible can be found on this website under eligible containers or by calling the scheme operator Tomra Cleanaway on 1800 290 691 or visit the website: www.returnandearn.org.au.

- Our return depot is manned by friendly staff to help you for a fast and easy experience.
- You do not need to load your containers one at a time as our counting and sorting machines accept hundreds at a time. Glass and plastic bottles do not need to be separated as the sorting machine does this.
- Staff are on hand to help with eligible containers that may not be perfect and therefore not accepted by reverse vending machines.
